May 2006

LatinoTropical by Ralph Boncy

NEW! The compelling summer feel of today's hottest salsa, samba and tropical stars including Marc Anthony, Celia Cruz, Shakira, Alejandro Sanz, Caetano Veloso and Ruben Blades. Impossible to sit still dance numbers and all-out romance as only a Latin heartthrob can deliver. Hear it all, even when summer is half a year away! Familiar and exotic.

Artist	Title	Label	BUY IT!
